

WD  
24. (New) The purified immunological complex of claim 15, wherein the peptide has the sequence of HIV-1 ORF-Q.

NO  
25. (New) The purified immunological complex of claim 15, wherein the peptide has the sequence of HIV-1 ORF-R.

26. (New) The purified immunological complex of claim 15, wherein the peptide has the sequence of HIV-1 ORF-1.

27. (New) The purified immunological complex of claim 15, wherein the peptide has the sequence of HIV-1 ORF-4.

28. (New) The purified monoclonal antibody of claim 17, wherein the peptide has the sequence of HIV-1 ORF-Q.

29. (New) The purified monoclonal antibody of claim 17, wherein the peptide has the sequence of HIV-1 ORF-R.

H  
30. (New) The purified monoclonal antibody of claim 17, wherein the peptide has the sequence of HIV-1 ORF-1.

31. (New) The purified monoclonal antibody of claim 17, wherein the peptide has the sequence of HIV-1 ORF-4.

WD  
32. (New) The purified immunological complex of claim 19, wherein the peptide has the sequence of HIV-1 ORF-Q.

NO  
33. (New) The purified immunological complex of claim 19, wherein the peptide has the sequence of HIV-1 ORF-R.

34. (New) The purified immunological complex of claim 19, wherein the peptide has the sequence of HIV-1 ORF-1.
